## REFERENCE

### Sahariar Parvez

Associate Prof., Bangladesh University, Department of CSE  
Phone: +8801718642878  
Email : shahariar.parvez@bu.edu.bd

## CAREER OBJECTIVE

I want to work in a leadership organization to build a challenging career. At the same time want to contribute efficiently to this organization in achieving its goals and success. And for this, I believe that with real support, motivation and opportunity, my inner strength of work will increase.

## WORK EXPERIENCE

### Progressive Byte

Software Engineer

JAN 1, 2026 - PRESENT

- Re-developed the Legal Pages (Free & Pro) WordPress plugin with a modern API-driven architecture and React-based admin interface, improving GDPR/CCPA/DMCA compliance and scalability.
- Developed the frontend of Human Concern, a MERN-based donation platform using Next.js and React. Built user dashboards, admin CMS modules, Stripe payment integration, JWT-based authentication, and API-driven donation and campaign management features. (<https://human-concern-frontend.vercel.app/>)
- Developed Impact Reports, a full-stack MERN application using React.js, Next.js, Node.js (Express), MongoDB, JWT Authentication, REST APIs. Built admin dashboards and report management features, and implemented CI/CD deployment from GitHub to a VPS server using GitHub Actions and PM2. (<https://impact.humanconcernusa.org/>)

### Codexpert

Junior Software Engineer

MAR 27, 2023- 31 DEC 2025

- **Frontend Development:**
  - Contributed to the frontend development using React.js and Next.js framework for [easyccommerce.dev](https://easyccommerce.dev)
- **Collaborated on development of plugins, including:**
  - **Easyccommerce**- Contributed to the development of the Easyccommerce plugin by implementing key features across the frontend and backend, including API integration, UI/UX implementation using React.js, and Core functionality development using PHP.
  - Also contributed to WordPress plugins: **Share Logins**, **CoDesigner**, **ThumbPress**, and **WC-Affiliate**.
- **Plugins in wordpress org:**
  - Designed and developed multiple plugins listed on the WordPress repository:
    - **Password Less Login** - A passwordless and OTP-based login system for WordPress.
    - **Thrail CRM** - CRM integration for WordPress
    - **Product Testimonial** - Customer testimonial management
    - **Order Barcode for WC** - Order barcode generation for WooCommerce

### LGED

Computer Executive

SEP 8, 2020- APR, 2023

### Codexpert

Software QA Engineer

DEC 1, 2019 - 6 SEP 2020

- **Testing** - Contributed to testing and quality assurance of existing WordPress plugins, identifying bugs, verifying compatibility, and ensuring compliance with WordPress coding standards.

### IGL WEB.

Web Developer

JUN 2, 2018 - 1 AUG 2018
